

## Urgent Care from St. Bernardine Medical Center

The urgent care centers are a service of St. Bernardine Medical Center, a highly-respected nonprofit acute care hospital serving the Inland Empire since 1931. Quality care is the byword at St. Bernardine, a five-star hospital in orthopedics and maternity care, and a 2007 Thomson Reuters 100 Top Hospitals Performance Improvement Leader. The hospital is also renowned for its Inland Empire Heart & Vascular Institute, the second largest heart program in Southern California.

### Convenient Locations

Each Urgent Care Center is located less than 15 minutes from our hospital Emergency Department. They are conveniently located off the 210 Fwy, one at the Sierra Ave. exit in Fontana and one off Hwy 330 at the Highland Ave. exit in Highland.

Care when you need it  
for non-emergency  
injuries and illness

# Count on St. Bernardine Urgent Care

for common colds, fever and flu, tonsillitis and tumbles, sprains and strains, burns and bites and boo boos.

Minor injuries and illness don't always occur during normal business hours, and sometimes they can't wait for an appointment. That's why St. Bernardine Medical Center has brought urgent care to your neighborhood, giving you access to the hospital's highly-respected medical care in a comfortable office setting, with daytime and evening hours available seven days a week.

## Services to meet your needs

Whether it's your three-year-old's earache, a sprain you suffered while doing some yard work or your grandmother's sore throat, the health care professionals at St. Bernardine's urgent care centers are prepared to treat your non-emergency medical needs with quality care and compassion.

Everything needed for diagnosis and treatment is available at both locations, including X-ray and lab services.

## Quality care from the professionals

Treatment provided at the Center is under the direction of Brian J. Bearie, MD, who is Board Certified in Emergency Medicine.

## Most insurance plans accepted

St. Bernardine Medical Center is contracted with most health insurance plans, and the urgent care centers accept Medicare, Medi-Cal and most HMOs and PPOs. We also take credit cards and cash payments. Registration representatives are available on site to answer your coverage questions.
